**ELLEN NORTHCUT MEMORIAL
"Educator of Excellence Award"**

While all teachers strive to improve the lives of their students, only a special few will leave a legacy of excellence. The Excellence in Education award is named for Ellen Northcutt, a Hueytown educator who not only influenced students but also set a standard of excellence for teachers yet to come. Many of our previous Teachers of the Year have attributed their success to Mrs. Northcutt's guidance. This award is presented to a Hueytown area educator who has encouraged
